My dear Miss Weston,

Mr. Alcott came to
tell me yesterday that we
could not have Mr. A's
room, because Dr. Martin,
to whom the house belongs,
said he had just let the
basement room to a
Physician, who would be
annoyed by having a
Fair carried on over his
head. I had a day

on two sides that the
needle woman's friend society
were just vacating their
rooms, & thinking it
possible we might have
them for a few days, I
went to make some enquiry
this morning, & found
that they have the lease
of the rooms till the 15th
Feb. I am quite willing
we should ^{use them} any time, within
that time, if they have an
opportunity to rent them
for a moment before we need
them. The change for the

rooms, which are light, clean
& roomy, two doors from the
corner of Bedford St. up one
pair of stairs, will be \$1
a day & there is a stove
in the room belonging to
the society, which we can
use - Mr. May says he will
go every day, & make a fire
for us, & Mr. May & myself
will be happy to take our
turn in tending shop.

I hope this plan will strike
you as favorably as it does
ourselves. As there is a
chance that the rooms may
be let. will it not be well

to use them as soon as possible.

If you will let me hear
your decision we will make
the necessary arrangements.

If I can serve you in
any way, please call upon
me without hesitation, as
I am very much at home
I am obliged to walk for
exercise. I have written

very hastily, Mr. May
being ready to go out &
take this to the office.

With kind remembrance
to your family. Yrs very truly

Sarah R. May
